4001 W. Carriage Dr., Santa Ana, CA 92704

Since 1974, our business has been solving your problems, be they quality, delivery, price or attentive service. Since we guarantee your satisfaction, you have nothing to lose, and something to gain by calling U.S. Rigging Supply.

Many other products, not shown in this brochure, are also available at highly competitive pricing. So if you need a product even remotely similar to those shown here, please give us the opportunity to help you.

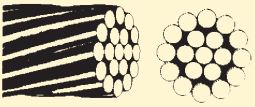

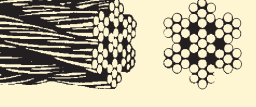

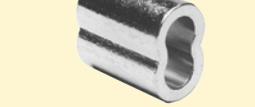

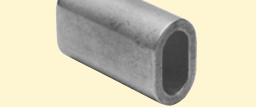

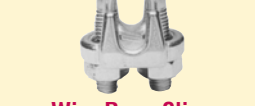

U.S. Rigging Supply also manufactures custom wire rope assemblies for almost any application.

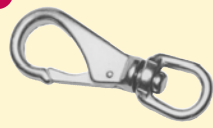

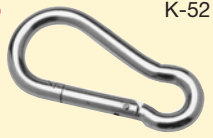

See Page 6 for additional photo and information.
